3 Bedroom, 3.00 Bathroom, 1,090 sqft

Residential on 0.13 Acres

NONE, Claresholm, Alberta

Under contract! The perfect home to downsize to and still be comfortable. This 1090 sqft. duplex with a cathedral ceiling offers a gas fireplace in the living room with views out to the back deck (gas BBQ hook up) and beyond.

The back yard has a separate area for a garden and backs onto pastures with foxes and deer with the occasional horse or two. No neighbours behind you for quite a distance! The well-appointed kitchen is brightly lit with the large east and south windows; an efficient space to bake cookies with grandkids at the island or Easter dinner. And with the dining area situated in between, everyone can be included in the conversations. The large master bedroom overlooks the back yard and has a walk-in closet plus a 4-piece ensuite. The bonus room can be your office, craft or yoga room and still offer a place for an overnight guest. Another 4-piece bathroom and laundry round out the main floor. Downstairs you will find 2 more bedrooms with egress windows letting in plenty of light and a 4-piece bathroom. The electric fireplace in the family room adds to the coziness in the colder months. The double garage has plenty of storage and a work bench. Does this sound like your next home? Book a showing and see for yourself.
